

GCSE results day 2015

We are very proud of our GCSE results this summer. All the students that attended Falconer School achieved 5 or more GCSE's each. Most of the students achieved far more! Three students achieved 5 A*- C including English and Maths and have started their 'A' level courses at Beaumont School 6th form in St. Albans. Another of these students has started at North Herts College to study Music at level 3. Every student achieved all, and in the vast majority of cases, more, than required to go onto their chosen level 2 course at either Oaklands College (Smallford) or West Herts College.

Daniel Barnett, Harry Mansfield and Tyler Middleton-Steward achieved 10 GCSE (or equivalent) A*-C including English and Maths each – including the EBaC

Our student progress is rapidly improving and staff, students, governors and parents are all committed to the future success of our school. We are proud of the achievements of all our students and are delighted that they are able to graduate to level 2 courses and/or apprenticeships of their choice. Well done class of 2015.
